ELECTRICITY

I can't really explain it
i haven't got the words
it's a feeling that you can't control.

I suppose it’s like forgetting
losing who you are
and at the same time
something makes you whole

It’s like that there's a music
playing in your ear
and I’m listening,
and I’m listening
and then i disappear.

And then i feel a change
like a fire deep inside,
something bursting me wide open
impossible to hide.

And suddenly I’m flying,
flying like a bird,
like electricity,
electricity,
sparks inside of me,
and I’m free, I’m free.

It's a bit like being angry,
it's a bit like being scared,
confused and all mixed up,
and mad as hell.

It's like when you've been crying
and you're empty, and you're full.
I don't know what it is,
it's hard to tell.

It’s like that there's some music
playing in your ear,
but the music
is impossible,
impossible to hear.

But then i feel it move me,
like a burning deep inside,
something bursting me wide open
impossible to hide.

And suddenly I’m flying,
flying like a bird,
like electricity,
electricity,
sparks inside of me,
and I’m free, I’m free.
Free, I’m free!
